

REMARKS

Claims 1-17 and 20-27 are pending in the present application, with claims 20-25 withdrawn from consideration. Applicant's originally filed claims were the subject of a previous restriction.

The Examiner has required election in the present application between:

Species I and II; Sub-Species A and B; Sub-Sub-Species 1, 2 and 3; and Sub-Sub-Sub-Species a and b.

For the purpose of examination of the present application, Applicant elects with traverse, 1-B-3-a. Applicant submits that claim 5 reads on the elected Species.

It is respectfully submitted that it should be no undue burden on the Examiner to consider all claims in the single application. Thus, reconsideration and withdrawal of this Restriction Requirement are respectfully requested.

In the event that the Examiner persists in this requirement, Applicants reserve the right to file a Divisional application at a later time, if so desired.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Mr. Michael E. Monaco, Registration No 52,041 at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.
